Parish Council Meeting held in the Preston Room on Tuesday 3rd May 2016 at 7.00pm

There were three members of the public present and NNC & NNDC Cllr Nigel Dixon.

Cllr H Buxton was elected as Chair and Cllr G Saunders was elected as Vice Chair, for the forthcoming year.

All Councillors were present

The Minutes of the meeting of 03 March 2016 were agreed.

County and District Councillor N. Dixon informed the Meeting that:-

1 The proposed Devolution of the Eastern Region will affect 23 councils in the region and in the short time frame given by Central Government, it may be difficult to reach an agreement as there were differing views across the region with different areas having differing needs, especially Cambridgeshire and North Norfolk. In the last month opinions across the region had begun to fragment, especially around the acceptability of an elected mayor. It would not affect the Parish Council.

2 The New technology business park in Hoveton is still delayed due to car parking issues.

3 There have no new applications for housing developments in the area and it was unlikely to see any new applications before a new Local Plan was agreed.

PCSO Jeanette Boardman was not in attendance, but stated that there were no reported crimes in the Parish in the period March/April.

The Parish Council review the continued publication of the Newsletter in light of a future Quality Council application.

A Parishioner asked that, as the Parish Council had not raised the precept why does Council Tax bill show an increase of 3%. Clerk to enquire with NNDC.

Members will re-review of documentation and local Parish maps, pertaining to the Common. It was noted that the registration as a Common should supersede any previous listing as a Surveyors Allotment.

It was noted that the repair work to the North end of Church Road, undertaken by NCC, was of a temporary nature and would exacerbate pot holes around the area in the longer term.

The Chair and the Clerk will review The Asset register and risk assessment of assets and the noticeboard at the crossroads, will be added to the Register.

No planning applications have been received since the March meeting.

The Clerk informed Members that she expects to complete her CiLCA qualification by the end of the year.

The Clerk is investigating the possibility of training on the use and management of the website which will be funded by the Transparency Fund.

The accounts for financial year ending 31 March 2016 were agreed and signed off. The internal auditor's report was reviewed.

The Audit Commission Annual Return for year ending 31 March 2016 was agreed and signed off.

Elected period for the exercise of electors rights is the 3rd June to 14 July. This is the period when the public has the right to inspect the Parish Council accounts. These dates will be published on the noticeboard and the website.

Income for the period was £579.20 and expenditure of £1,344.95 was agreed. It was noted that the Council's S137 limit is £1,098.16 for 2016/17.

The Financial Regulations were reviewed without alteration.
The Financial Risk Assessment was update.

The Next Parish Council Meeting will be held on Tuesday 05 July 2016 at 7.00pm in the Preston Rooms.

If you have anything which you wish to bring to the attention of the Council, please contact the Clerk

Message from District and County Councillor Nigel Dixon

Devolution (Devolving Central Government Responsibilities to Local Government) Devolution is about transferring important decisions about housing, health, transport infrastructure, economic development and other key functions from Central Government to a more local level to help reflect local needs and constraints. Further to my last mention of this matter, you may be aware of media announcements that the proposed Norfolk, Suffolk and Cambridgeshire deal has changed to a split deal for Norfolk and Suffolk together and Cambridgeshire on its own. While this might relieve concerns that Cambridgeshire would dominate a three county deal, there are equally serious viability and cost benefit concerns over two new Combined Authorities each led by an elected Mayor.

Currently, I am very doubtful whether Devolution will benefit either Norfolk or North Norfolk because there are still several major concerns to be resolved, for example:

- 1 if this would add another layer of 'regional' government then this would add significant cost which would be reflected in higher Council Tax - in my view, another layer wouldn't be acceptable and is totally unnecessary, even if there was a net financial gain,
- 2 an elected Mayor as the Norfolk & Suffolk Combined Authority leader would vest too much power and influence in one person and
- 3 currently, there's little reliable clarity over precisely what's on offer and will the Combined Authority be expected to solve serious problems without the resources and freedom to choose the best solution?

Discussions will continue and the process will take several months. The current timescale suggests there will be a public consultation during July and August with the prospect of a Mayor being elected and a new Combined Authority being formed in May 2017. There's much doubt over whether this will happen. The theory sounds good but the practice may be much

more difficult. I will give a further update at the July meeting of Ashmanhaugh Parish Council and give further updates as the situation unfolds.

I welcome your views on these and any other issues. My contact details are: Tel 783885 or e mail: nigel.dixon@norfolk.gov.uk or NigelNDD@aol.com.

JULY/AUGUST 2016

Although we will have to wait until the very last day of July it will be a great joy to welcome our new rector The Rev Canon David Smith and his partner Angela. There is to be an Institution and Induction service on Sunday 31st July at St Michael and All Angels, Barton Turf – further details may be found under a separate heading in this magazine.

This past month we have also celebrated the Queen's 90th birthday at Barton Church bringing together villagers from all our parishes in the benefice in an act of thanksgiving. A lovely service orchestrated by Barbara McGoun and I cannot leave the subject without mentioning the fabulous singing from the children of Horning School.

Last night all the benefice church wardens were sworn in for another year and we also saw for the first time the Committed to Growth Mission Strategy 2021. Booklets and DVDs detailing the strategy and the thinking behind it, are in St Swithin's so please do take a copy.

Closer to home I hope you will all notice that the gates to the church have been varnished and now look very smart. Many thanks to Geoff Culley who undertook this work for us, free of charge.

The events coming up in the village are listed below. Please, if anyone can make cakes or savouries for the coffee mornings or you have any garden produce it would be most welcome. Simon and Sonia Hannant are doing the tombola for the fete and I know any small items that you have would be gratefully received.

Finally, we have the date of the PCC Promises Auction – 15th OCTOBER. This is our main fund raiser for the year and as usual there will be some fantastic prizes to bid for. Do put this date in your diary now.

With best wishes

Anne Mulhall Church Warden

Pam's Quiz Night was once again a great success. A challenging quiz and a superb buffet made it a great evening. Teams battled it out and with our new Quiz Master Neal in control, the evening proved to be great fun. The amount raised was £175.00 so thank you to everyone who supported this evening.

The Ashmanhaugh Antiques Roadshow was an event not to be missed. Roy Murphy from Keys Auctioneer's in Aylsham, proved to be incredibly knowledgeable about everything! Items brought for information and valuation included stamp collections, jewellery, books, various pottery and china items and even a sword! Roy worked his way through our collection of items, we had tea and cakes at 'half-time' and the evening was informative and great fun. The total raised was £138.00 and as Keys Auctioneer's don't charge for their expertise, at the request of Mr Murphy we donated £50.00 to the charity MIND. Once again thank you to everyone who came along and supported this event

The main event for July is of course, the village Fete. Plans are going well and we are hoping for another sunny day, although maybe not as hot as last year! We hope to see you all there, on July 23rd, at Blacksmith's Farm from 2pm to 4.30pm

Don't forget we have two Coffee Mornings at the Preston Rooms – July 30th and August 6th. Please support these if you can.

August 11th is once again the Potato Weigh-in and Supper. We are all hoping that this year's variety, Marfona, will produce a heavy crop - especially those of us who hardly had any potatoes in their bucket last year! The evening will be the same format, weighing the potatoes and then a supper made from anything that contains potatoes. We have had some incredible dishes brought along in previous years and this is a great event to take part in.

We do hope to see you soon.

Ashmanhaugh Light Railway – June 2016

Hello again

Well, it's midsummer but we haven't seen much of it yet, hopefully the weather will improve and we will have a long, late one !!!!!

We have had two successful Open Days with pleasant weather, and lots of very nice people enjoying the surroundings, the teas, the ice creams, the cakes and the chat....., and stock generally behaving. We manage a first for the ALR on the June Open day when we had two, yes, two double headed steam trains circulating, excellent. If we can get Hotspur sorted, (still being a naughty engine!), we could see the possibility of three double headed steam trains, as we have our three and our Friends from Suffolk have three.....watch this space.

Ben and Keith bring a double header into the station on our June 5th Open Day

We haven't had too much response this year to our offer to loco owners to come for a run round on specific days, but we enjoyed a fun Day last Saturday (18th) when Mike and Charlie came over with their new 'Spuggy' type diesel. Very smartly finished and a very powerful loco, I think we may be seeing more of that one ! Mike and Charlie enjoyed themselves and we had some trains out too, so a good day for all (but, it was freezing! Summer, where art thou?)

Lots of gardening going on, and some painting of gates and fencing, and the usual never ending tweaking of the track,

Loco line up on our 18th June Play Day with visitor Tog the Tug front right

Well, that'll have to do for now or we will miss Neal's deadline and we are pushing our luck as it is, more next time.

Keep smiling

Best wishes

The ALR Gang. June 2016

Wroxham Bure Valley Rotary Club

Our recent activities have included our two day activity and adventure programme for children from Mile Cross school in Norwich to let them experience sailing, a farm visit and barbeque, and a day at Barton Turf activity centre. Despite a bit of rain the youngsters had a great time and thoroughly enjoyed a unique experience.

Day 1 – Sailing

Day 2 – Raft Building

The Winning Raft

Our recent Jazz Boat trip on Sunday 22nd May was a sell-out – we had a pleasant evening weather-wise, the music was excellent and everyone had a great time. We managed to raise a total of £1280 which is being distributed to a number of local causes. Our spectacular “win a car” raffle in aid of EACH, the East Anglia Air Ambulance, the End Polio Now campaign and other charities supported by our rotary club is now fully up and running. With the support of NMG, the Norfolk Motor Group we are offering a Kia Rio SR7 Sports model. Tickets are on sale now so look out for us at a number of local events – they are also available from NMG showrooms in Norwich and from Abbott’s estate agents in the Precinct, Hoveton. Our first appearance was at the Horning Boat Show, and this was followed by the Strumpshaw Steam Rally. We will soon be at the Norfolk Show, followed by Cromer carnival, the “Tour de Broads” cycle race through Coltishall, and the Aylsham show amongst other places – full details on our website. The draw for the winning ticket will take place in Castle Mall on 20th November.

At the end of June we get ready for our annual handover of the presidency to our new president Rosemary Youngs from 1st July – we thank outgoing president Barry Rumsey for all his hard work as he comes to the end of his successful year in office.

We are always delighted to welcome our new members into the club - you can pop along and meet us any Monday evening if you fancy finding out a bit more about us and what we get up to, but please contact our secretary Anne Kittle in advance on 07887523071 to check the meeting details and so we can ensure we have food for you.

Visit our web-site on www.wroxhamrotary.org.uk for more information and details of our exciting programme for 2016, or visit our Facebook page on www.facebook.com/wroxhamburevalleyrotaryclub or contact our president, Rosemary Youngs on 01603 717272. There is no better way to give something back to the local community...and no better time than now.

Broadlands Rotary Club

On June 7th, a group of our members took the children with members of staff from Hall School, on a trip to Wroxham Barns where they joined in caring for animals in the farm and had a great time on the amusements in lovely weather.

We are also making a donation in support of the charity cycle ride in June from John O'Groats to Lands' End in aid of **Prostate Cancer Charity & End Polio Now**.

End Polio Now

Since Rotary started this programme in 1985, we have vaccinated two billion children and saved over 13 million children from contracting polio. The Rotary Centenary Year is about to start and our District, East Anglia, is planning a **"Purple4Polio"** Campaign, recognising the purple mark, which is applied to the children's fingers to indicate that they have received the polio vaccine. So look out for swathes of purple crocuses early next year, crocus buttonholes and collections on World Polio Day in October this year.

Come and meet us

Don't forget on September 29th we are planning a **special lunchtime buffet to which our members each bring a guest**. Don't miss this opportunity to come along. Just contact me and I will book your place and give you details of the member who will be your host.

If you would like to come to this or any one of our meetings please contact me: annchantryprice@gmail.com, Tel: 01603 270478 / 01296 660202 or visit our website: <http://www.rotaryclubofbroadlands.org.uk>

HOVETON & WROXHAM LIONS CLUB

How time flies! Here we are again at the start of a new Lionistic year. We had a very enjoyable handover dinner at the end of June when I took over the reins from Lion Mike Barker. I would like to take this opportunity to thank Lion Mike for all his hard work and commitment during his time in office, thus ensuring we had a very successful 40th Anniversary year. I look forward to leading the club into what will hopefully be another enjoyable and rewarding year.

After the most interesting and informative talk given by Paul Strutt at our last meeting in May the club decided to make a sizeable donation to the Norfolk Accident Rescue Service charity which is completely self-funded.

Our social event for June was held locally at Ken's Fish and Chip restaurant where we had a very enjoyable supper with much laughter to help down the food.

We are pleased to say that recently we had the pleasure of inducting two new members into our club. One was the wife of one of our members and the other read our article in the Bridge, liked what he read, came along to our next meeting, which he enjoyed, and now is a Lion.

We will be organising a concert by the Royal Air Force Band, the "Squadronnaires", on Saturday 15th October at the Broadland High School. More information will be available later. This will be one of our major fundraisers for the coming year.

Our Charity Shop continues to be very busy and we are always in need of clean, good quality clothes and bric a brac.

This month's £100 Charity Shop Draw prize goes to the Norfolk Zipper Club which was nominated by Bob Paisley of Wroxham who donated goods to our shop.

If you feel you would like to make a difference in your local community and have a few hours to spare occasionally, Wroxham and Hoveton Lions will always welcome your help. Just give our President Lion Terry Vout (01603 784093) or our Membership Chairperson Lion Suzanne Barnett (01603 782002) a call and they will answer any questions you may have. Or, if you prefer, feel free to come along to one of our meetings on the 2nd or 4th Tuesday of the month at 8pm at the Broadland Youth and

Community Centre, Hoveton. We are a very friendly and sociable bunch who will make you very welcome.

Lion Terry Vout, President.

Ashmanhaugh Poors Land Trust

We are pleased to announce that Mr T Childerhouse has joined the Board of Trustee. The Trustees are now Rachel Buxton, Sarah Hewitt, William Mulhall, Terry Childerhouse and Neal Sharpe.

They would be only too happy to discuss the grant process and details with any resident, or organisation, who feel they may benefit from making an application.

The Charity makes financial awards based upon the following criteria;

- The relief of poverty
- To improve the quality of life for those residents who have need by reason of youth, age, ill-health, disability, financial hardship or other disadvantages.
- The advancement of education.
- The advancement of community development.
- Greater use of community buildings.

Ashmanhaugh Poor's Allotment has been in existence for over two hundred years. The earliest recording dates from 1763, where income from land is noted in the Norfolk Charities records. It probably dates back to the 17th century Poor Laws when parishes became responsible for their poor.

The Charity owns land on Rectory Road which is currently leased for grazing, and makes grants from that income within the village.

Safer Neighbourhood Action Plan (SNAP)

NEIGHBOURHOOD WATCH

Action Fraud (Action Fraud, Administrator, National)

Counterfeit Cheques

Businesses are being contacted for the sale of goods or services by fraudsters, who request to pay by cheque. The fraudster sends a cheque with a higher value than the amount expected, and then sends the business a request for the difference with instructions on how it should be paid back. This is usually by bank transfer or through a money transfer service, such as Western Union or PaySafe. Once the 'refund' has been provided, it is realised that the cheque provided was fraudulent and no funds are credited to the business's account.

The NFIB has seen an increase of 84% in the number of counterfeit cheque frauds reported to Action Fraud since November 2015. Criminals are targeting a wide range of services including paintings or other artwork, photography and lessons, with various amounts requested to be refunded. The average amount requested to be refunded is £1,818. The highest amount requested was over £80,000.

The suspects have used pressure tactics to persuade victims to refund the amounts immediately prior to the cheques clearing.

Crime Prevention Advice

- Be cautious of payments where the amount provided is higher than expected. Refuse to provide the service unless the correct balance is received or wait until the cheque has cleared before refunding the difference.
- Always contact banks on a trusted number found on their website or correspondence that is known to be authentic to confirm whether the cheque has cleared.
- Do not feel pressured to provide a refund before the cheque has cleared.

Phishing Campaign Targeting University Students

A new phishing campaign which has hit students of UK universities claims that the student has been awarded an educational grant by the Department for Education. The email purports to have come from the finance department of the student's university and tricks the recipient into clicking on a link contained in the message to provide personal and banking details.

One victim reported that after submitting their sensitive information (including name, address, date of birth, contact details, telephone provider, bank account details, student ID, National Insurance Number, driving licence number and mother's maiden name), they were taken to a spoofed website which appeared like a genuine website of their bank, where they were asked to type in their online banking login credentials.

Protect Yourself:

- Do not click on any links or open attachments contained within unsolicited emails.
- Do not reply to scam emails or contact the senders in any way.
- If an email appears to have come from a person or organisation you know of but the message is unexpected or unusual, contact them directly via another method to confirm that they sent you the email.
- If you receive an email which asks you to login to an online account via a link provided in the email, instead of clicking on the link, open your browser and go directly to the company's website yourself.
- If you have clicked on a link in the email, do not supply any information on the website that may open.

If you think you may have compromised the safety of your bank details and/or have lost money due to fraudulent misuse of your cards, you should immediately contact your bank, and report it to Action Fraud by calling 0300 123 2040, or visiting www.actionfraud.police.uk.

Museum of the Broads

Summer has arrived at Stalham!

We love the summer months at the Museum of the Broads - the river looks fab and our exhibits all seem to have that extra glow!

Our riverside setting is such a beautiful picnic spot and primed for THE outside evening of the year - our Jazz and Beer evening on Sat 9th July. Pop along, bring a picnic and friends, and sample some wonderful local ales. Savoir Faire Jazz Trio will be playing, and our steam launch will be out for a pootle. It really is a beautiful evening!

On Sun 17th July we have our Toys and Models day. Come along and meet the collectors & say to yourself I should have kept that box! It's a great day for all ages and we hope to have models operating on the water - always a treat alongside our steam launch!

Don't forget our Broadland High Streets exhibition - did you know there were three shoemakers in Martham? Plus we have a Victorian family day planned for Wed 24 August, 'Kill or Cure'. Meet our Victorian pharmacist, and try to decide if his remedies would kill or cure. Plenty of other shop based activities for all the family. Save the date!

Museum of the Broads, Stalham Staithe, NR12 9DA, Open daily, 10am to 4.30pm
