Message from Inspector Teresa Futter

Welcome to this month's newsletter. Working closely with the local community is key to delivering all aspects of modern policing. I encourage you to continue to support us through our Public Engagement and Safer Neighbourhood Action Panel (SNAP) Priority Setting Meetings, the date of your next meeting can be found overleaf.

As the nights draw in, I would like to remind you that the darker evenings can make it easier for opportunist criminals, so I would ask you all to be vigilant, secure your homes and property and to report any suspicious people or vehicles to us immediately via 101 or 999.

Message from your Engagement Officer PC Pete Davison

A few parishes have recently contacted me to ask why the monthly Crime figures, included in the newsletters, are clustered together rather than being provided at an individual parish level.

The figures are intended to give an overview of crime in your surrounding area, we have 121 parishes across North Norfolk and with greater demands being placed on police resources we unfortunately no longer have the time or staff to provide the figures that you were once used to. If required a greater break down of crime is available by logging onto www.police.uk; although it should be noted that these figures can be a little out of date some months.

If, after receiving your newsletter, you have a particular concern regarding the crime figures please do not hesitate to contact your Beat Manager or myself who will be able to look into this for you.

Neighbourhood Priorities

The following priorities were agreed at the Safer Neighbourhood Action Panel Meeting held at The Poppy Centre, Stalham on Wednesday 5th September 2018:

1. ASB patrols around Play Park at Millside, Stalham to combat noise, litter, threats and criminal damage
2. Speeding in the villages of Ludham and Catfield
