Message from you local Inspector, Teresa Futter

We are seeing a rise in burglaries across the district at new Housing developments and industrial estates. Please continue to report any suspicious activity – if you think it looks odd- then its because it probably is! Beat Manager Pc Gibbs has continued to work closely with staff at Jaguar House, Badersfield allaying the concerns that have been raised by the community. We have Increased our patrols of Boat Yards due to an rise in thefts from pleasure boats over the last 2 months. Our Operation Moonshot Team have also been working within the district, officers stop and deal with those individuals using the road network to commit crime. As we are coming into Summer months the weather is improving and with this in mind make sure your properties are secure at night. Thieves look out for an easy target. Make it difficult for them by doing the 9PM Routine – Car locked? Windows shut? Door locked? Shed Secure? Set a reminder now.

Message from your Engagement Officer, PC Pete Davison

Do you know about Courier Fraud? Do your loved ones? Fraudsters are deliberately targeting older and vulnerable people in our area. Courier fraud happens when a fraudster contacts a victim by telephone claiming to be a police officer, bank or government agency. A number of techniques will then be adopted in order to convince the victim to hand over their bank details or cash, which may then be passed on to a courier. Neither your bank nor the police will ever ask you to withdraw money or purchase items. Your bank or the police will never ask for your PIN, bank card or bank account details over the phone – never give these details to anybody. Neither the police nor the banks will send a courier to collect money or bank cards from you. Please let us know if you have received a similar type of telephone call or have any information about these incidents. Finally, please keep talking to your friends, parents and grandparents and make sure they know about #CourierFraud.
